# 101 money making ideas

Need some extra cash quickly? Here is a list of 101 ways you can generate some quickly. Some need specialist skills, but most are ones that could put cash in your back pocket by the middle of next week. As always don't just take the idea as you read it, put your thinking cap on. Could you adapt this to suit your locality? Who is offering this service at the moment? Who else could you sell it to? How can you stand out from the crowd? How will you find customers?

Your most important tool is Google – research each idea carefully by using the incredibly powerful Google search engine. Within seconds you'll have the information you need to get started. Best of luck, and let us know how you get on. [Turn over to discover these money making ideas](#)

Your expert guide to proven money making ideas

01

## Make money taking paid Online Surveys – Free Membership

---

Lots of large companies need information on what every consumer thinks about their products and that is where you come in. You can make between £10.00 to £100.00 daily taking surveys from reputable sites. Always remember that the genuine sites offer free membership for example visit [www.vindale.com](http://www.vindale.com), [www.acop.com](http://www.acop.com) and there are many more.

02

## Make money blogging

---

Still on making money online, have you ever considered blogging? One good thing about blogging is the fact that you don't even have to spend any money – only use your time. Making use of [www.blogger.com](http://www.blogger.com), you can set up a blog and start posting relevant information in minutes. Choose a topic that really interests you, ideally one that has lots of paid ads on the Google page when you search on that topic. Over time, you are able to build up a good number of followers and go on to make money on your blog through pay per click ads.

03

## Make money selling on eBay

---

Being a seller on eBay means one thing to most people – opportunity to make lots of money working from home. You don't necessarily have to have capital to

become a seller on this site since you can start by signing up on [www.ebay.com](http://www.ebay.com) and posting most of the unwanted items in your home for sale on the site. You can do this part time or full time if you wish and still make a reasonable income. You can also sell items for other people. Start with a few items and see how easy it is – then research the goods that are the best sellers.

04

## Make money with affiliate marketing

---

Affiliate marketing has always been a major money making idea online. Affiliate marketing means selling products on behalf of the manufacturer or any other person. You can do this by writing articles and posting on article directories with links that send the readers to the manufacturer's website where if purchase is made, you are given an agreed percentage from the purchased product. Look at [www.clickbank.com](http://www.clickbank.com)

05

## Make money through ironing services

---

If you desire to stay at home and at the same time make reasonable income, you should consider going into ironing services. In this case, there should be a space in your home that is set aside mainly for this activity. This area should be pet free, smoke free and child free in order for you to achieve the best result. If you have grown up children at home, they can even help out by emptying the bags and helping you sort the clothes by colour and fabric. You can also offer home service to some of your clients.

## 06

### **Make money by starting a window cleaning service**

---

There is no limit to the amount you can make on a daily or weekly basis starting a window cleaning service, as long as you are ready to work hard. Best of all, you choose the hours you want work and then have complete control over your life and daily activities. All you need to start is a mop, bucket and a mop extension. Technology has made it possible for the use of 'reach and wash' systems which has effectively eliminated the use of a ladder.

## 07

### **Make money by making gift hampers**

---

Have you ever considered making gift hampers for your loved ones during festive seasons and special occasions? You can also make these hampers for profit and the good thing is the fact that all you need do is learn some wrapping techniques and you are ready to start. Buy a few wicker baskets and purchase and wrap items that you know can easily sell. You can make a start by selling to your neighbours, friends, families and colleagues.

## 08

### **Make money by starting an office cleaning service**

---

A lot of people are making money today through office cleaning services they offer to businesses. You don't have any upfront expenses, you can simply start

with the vacuum cleaner you already have at home, a bucket and mop, cleaning liquid and few cloths for drying surfaces and windows. Your efficiency is sure to bring you good recommendations and in turn, more cleaning jobs and more money.

## 09

### **Make money writing articles and web content**

---

Each time people go online, most of what they look for is information. Are you skilled enough to supply them with this information? If you are, then good money can be earned as a freelance writer for magazines, website owners, associations and individuals. You can sign up with sites like [www.elance.com](http://www.elance.com), [www.odesk.com](http://www.odesk.com), [www.getafreelancer.com](http://www.getafreelancer.com), [www.guru.com](http://www.guru.com), [www.peopleperhour.com](http://www.peopleperhour.com) and you are sure to make a good income.

## 10

### **Make money selling ebooks**

---

You don't need good writing skills to sell ebooks. You can either hire a writer to write the content of the ebook and pass the copyright over to you; then you can publish and sell the ebook, or you can you make good money by selling the ebooks for publishers on a commission basis because there are many people who need this information supplied daily.

## 11

### Make money being a Quizmaster

---

By creating and supplying quiz questions to charities, fundraisers, clubs and even schools, you are on your way to making good money. All it takes is finding out what your client needs, compiling the questions and answers and then send back to them for their approval and payment.

## 12

### Make money through massage therapy

---

This is one activity that most privileged people engage in and one good thing about it is the fact that they pay well for it. After completing some training and obtaining the appropriate qualification, you can use a spare room in your home or rent a small studio. With time, your skill will bring in more clients and more money.

## 13

### Make money being an event planner

---

Working as event planners have helped several individuals take care of themselves and their families. You can start by approaching people in your neighbourhood who are intending to host parties and offer them your services of booking venues, decorating and if possible, providing food and drinks. You can make good money from doing this.

## 14

### Make money being a virtual assistant

---

There is hardly a field now where a 'virtual assistant' is not needed. Most of the time some of the skills that are required of you, includes but is not limited to, sending emails, telephone operations and managing online messaging systems. If you are you a good researcher or fast typist then you are ideal for this role.

## 15

### Make money house sitting

---

There are several households out there that need many areas of managing the home that include garden maintenance, taking care of the pets, collection of mail, and lots more; this can be done offline and you can offer them your services at an agreed price. An online site you can also use is [www.housecarers.com](http://www.housecarers.com) that is useful to both service providers and clients.

## 16

### Make money offering website analysis

---

A lot of webmasters need SEO (Search Engine Optimization) website analysis but are constrained financially. You can start by offering them a free website analysis. When they find out that you have solved their website problems and thereby saving them valuable time –the time lost does not generate their income - they will not hesitate recommending their friends to whom you can then offer your services – of course for a fee.

17

## Make money by forum posting

---

This is another method through which webmasters drive traffic to their website. All you need do is post daily or weekly on certain forums with a link that takes readers back to the webmaster's website. Sometimes you are also paid to post comments directly on to the webmaster's own website as well as their Facebook and Twitter pages.

18

## Make money selling scrap metals

---

You can easily start at home. Are there old tyre trims in your garage? What about those other metal parts of the car that were changed while the car was being serviced in the garage? Even metals from a broken barbeque can make up the list of metals. Gather as much as you can, then sell off at a good price.

19

## Make money as a graphic designer

---

You may not believe this but there are lots of genuine websites online like [www.elance.com](http://www.elance.com), [www.odesk.com](http://www.odesk.com), [www.getafreelancer.com](http://www.getafreelancer.com), [www.guru.com](http://www.guru.com), [www.peopleperhour.com](http://www.peopleperhour.com) and several others where after a free registration, you are linked up with buyers who need service providers in the area of graphic design. You can be located in Australia and work for somebody in the United States, it's that simple.

20

## Make money selling custom animal ID tags

---

You can do this by either floating your own website through a website designer or you can use free software to build your own website. On the other hand, you can sell these items as an affiliate by writing and publishing information about animal ID tags and including links back to the manufacturer's site where you are paid a commission if a purchase is made.

21

## Make money walking dogs

---

You can begin by designing brochures and business cards. Start by advertising in your neighbourhood that you can walk, groom and spend time with their dogs for a fee. All your contact information should be on the brochure including your phone number and email address.

22

## Make money as a travel writer

---

If you are one of those who has travelled to several places, especially abroad, then it is an opportunity for you to make money. You can offer tips to those wishing to travel to those areas you have been to. Yes, you can make money as a travel writer by signing up with some sites like [www.elance.com](http://www.elance.com), [www.odesk.com](http://www.odesk.com), [www.getafreelancer.com](http://www.getafreelancer.com), [www.guru.com](http://www.guru.com), [www.peopleperhour.com](http://www.peopleperhour.com).

Your expert guide to proven money making ideas

23

## Make money being a personal concierge

---

Are you an organised person who is always ready to help people out? Then you can make money as a personal concierge doing what you love – helping people out. You do for them those things they are unable to do for themselves but this time, it is done for a fee. You can start within your neighbourhood and progress through their recommendations. Helen, one of the finalists on “The Apprentice”, put this forward as an idea for Lord Sugar and was shot down in flames – while it was not a big enough venture for him its an ideal start from home business.

24

## Make money researching for people

---

On a daily basis, there are people out there who are in need of information on one topic or another but do not have the time or means of getting such information. Somebody might want to write a book but do not know how or where to gather the needed information. You offer the person your services at a price. This can be done both offline and online. [www.elance.com](http://www.elance.com) is good place to look for work but best to start in an area you know really well.

25

## Make money offering local wedding guide services

---

You can effectively do this offline and online. If online, you need a website where you list your services in the areas of florist, venues, car hire, suit hire, dress

hire and many more. If offline, you can print adverts and distribute. You can even demonstrate your skills by starting with a family member's wedding. We know of one guy who produced a website “Weddings in Cyprus” where he gave useful information and then sold leads to the local suppliers when his readers needed quotes for flowers, cars, venues, cakes, hotels etc.

26

## Make money being a private tutor

---

You do not need a degree to do this type of job. If you have knowledge in specific areas or disciplines you can make good use of this knowledge by offering to be a private tutor to your neighbours' children. In a case where you are a mother, the parents of other children in your child's school can also be approached and you can offer them your services at an agreed fee. If you live in an area that still has Grammar schools 11+ tutoring can be very rewarding – we know one lady who hires a church hall every Saturday in the term time and has 10 pupils at £20 each for 2 hours – she does 9.00 -11.00 and 11.00 -13.00 and clears £400 for a mornings work.

27

## Make money through an inbound call centre

---

There are lots of companies today that are interested in hiring as many outside workers as possible to handle most of their office needs which includes taking customers' calls. One good thing about this type of job is that you can do it conveniently in the comfort of your own home as a call centre agent.

28

## Make money with a Van

---

If you are among those who own a van and you are in need of money, have you ever considered the possibility of making money using this van? Within your locality, there are people who may need to move one thing or another from one place to the other. A reliable “MAN+VAN” can make good money on a part-time or full time basis.

29

## Make money with Amazon

---

Yes, you can actually make income from Amazon. Take a visit to [www.amazon.com](http://www.amazon.com) and take a tour through the site. You have the opportunity to build sites there and create ads, banners and other things that will earn you money. You can even create an aStore and stock it with books for sale on the particular subject that interests you most. Steer clear of best selling fiction there's no money in it.

30

## Make money creating a website directory

---

You can make money by creating a website where other peoples' websites can be listed. Although you can offer a free listing, you should concentrate more on offering paid listings which can be categorised into basic paid listings and premium paid listings. While the websites receive traffic, you earn money.

31

## Make money with YouTube

---

YouTube is one of the best things that has happened in this internet era. Are there skills you have that could earn you money? Create videos of yourself explaining these skills, making sure you include your contact details like phone number, email address etc. Finally, upload these videos on YouTube and before you know it, you will be receiving calls from those who need your services.

32

## Make money writing poetry for greeting cards

---

Are you gifted in the art of poetry? Can you write catchy sentences on almost any topic? Can you write up words that could be joyful, funny and emotional or heart warming? If you answer yes to these questions, then you can make money writing for greeting card manufacturers. There are several sites online that need and pay for such services.

33

## Make money designing and selling handmade jewellery

---

Are you one of those people who enjoy everything about crafts? Do you have an eye for details? Then you can make money by designing and selling handmade jewellery. You can start small by making some for your family members and friends and gradually progress to making for other people at agreed prices.

Your expert guide to proven money making ideas

34

## Make money entering and winning competitions

---

There are several opportunities of competitions online that include, but are not limited to, the ones where you are required to answer questions that have multiple choices. Not only do you stand chances of winning cash, you can also win computers, free grocery, cars, holidays and lots more.

35

## Make money being a Registrar reseller

---

There are several upcoming business owners who are interested in registering their domain names and owning a website but are at a loss how to start. Sometimes they go online to search for such services and at other times they use recommendations from other people. You could be the one that is being recommended if you have made a good impact as a reliable registrar reseller.

36

## Make money generating leads for companies

---

It is a well known fact that every business depends on sales in order to survive and it does not really matter whether it is an offline or online business. You can make a good living by generating leads for these businesses. You can start locally by approaching business owners who are yet to go online. We have sold leads ourselves at over £100 per lead so don't discount this idea as small beer – chose high priced products and services that have big margins.

37

## Make money hosting a personal Fantasy Football League

---

You can set up this league to have a paid membership. You can also introduce another dimension where people are allowed to pick their teams prior to a season – of course for a fee.

38

## Make money doing odd jobs for people

---

Whether you choose to do this on a part time or full time basis, there is every tendency that you could make good money by doing odd jobs for other people. You can start within your neighbourhood, finding out if there are any odd jobs they need to be done. You can then gradually move to other areas. Once you gain people's trust, you have the opportunity to make a reasonable income.

39

## Make money from woodworks

---

Have you ever heard of craft fairs? It is an opportunity for those who have the skills to carve boxes, doors, ornaments, plaques and lots more from wood. If you have any skill in this art, then you are definitely on your way to making good money, not only at fairs but carving for individuals at a fixed price.

40

### Make money generating leads for local estate agents

---

Due to the lucrative nature of the property market, the agents are always on the look out for properties to buy and resell. You can make money when you find a property that is for sale and link an estate agent to the property owner. Always make sure that you have agreed a price for these leads with the agent.

41

### Make money by rebuilding expired sites

---

With this venture, you need to concentrate on sites that were already receiving quality traffic before they had expired. A lot of websites that are online sell off these expired websites at affordable prices. As soon as you purchase one, you start rebuilding the site into one you can conveniently earn money from, either through ads, banner clicks or sales of digital products.

42

### Make money by restoring aged wooden furniture

---

Do you know that those old wooden tables, chairs and shelves that are being dumped by their owners can actually be refurbished? If you are skilled in this area, you will make a good income from it because most people would welcome the idea of having their old furniture refurbished and save money at the same time.

43

### Make money by locally advertising restaurants

---

How do you do this? You can start locally with the restaurants in your area by showing them proposals for advertising their services. You sell them the idea of offering discounts on certain meals and on specific days. Once you have reached an agreement you call all the clubs and societies in the area with details of the restaurant's offers.

44

### Make money through the sales of your artwork

---

Are you good at painting, sculpting, cartooning or drawing? If you are good at any or all of these arts, then you can earn a good income by selling your artwork. There are several instances where these kinds of services are needed in the magazines, newspapers and for individuals.

45

### Make money creating local business directory

---

The people who stand to benefit more from this type of service are those who have just moved to your area. Creating a directory of the local businesses with their contact details would go a long way to save most people the hassles of going from one street to the other, looking for where to get one or more services. You can distribute them door to door.

Another free guide from [money-making-ideas-daily.com](http://money-making-ideas-daily.com)  
Your expert guide to proven money making ideas

46

## Make money advertising local businesses

---

There is hardly a business that does not need one form of advertisement or the other to survive. The issue is that most business owners, especially the new ones, do not have the money for TV and Media adverts. You can offer to promote their businesses amongst the locals, either verbally or through postcards.

47

## Make money through pay per click arbitrage

---

This entails buying a product from one source and reselling it to another. How does it work? If you own a website, you can buy clicks from Google and set the ads in a way that when they are clicked on, the visitor is automatically redirected to another ad to which they click on, and you get paid for it.

48

## Make money producing and selling candles

---

In starting this business, you would need wicks, wax and moulds to make a success of it. You can start with a few moulds and with the progress and profit made in the initial attempts you can then increase the number of candles you can make. You can produce both white and coloured candles and start your sales from your neighbourhood.

49

## Make money by building your own online video website

---

The popularity of YouTube is one that has never diminished. You can also achieve almost the same feat by building an online video website and while people post their videos on it for free, you make money from the Google AdSense ads that will be placed on the site.

50

## Make money writing adverts

---

If you are good at writing catchy titles and phrases, then you can make money writing adverts for lots of product owners. There are several sites where these product owners post their requests and service providers are given the opportunity to submit their proposals and if accepted, you do the work and get paid for it.

51

## Make money by writing book reviews

---

If you search online, you will find out that there are several sites that pay people to write book reviews. Sites like [www.constant-content.com](http://www.constant-content.com) and [www.helium.com](http://www.helium.com) allow you to make good income writing and selling book reviews. When it comes to [www.constant-content.com](http://www.constant-content.com), you set the price at which you want to sell your review.

52

## Make money writing email newsletters

---

Most times, businesses advertise their various products and services through email newsletters. If you are the creative type, you can make reasonable money by writing these email newsletters for the business owners who need them. You can quote for, and get such jobs on [www.elance.com](https://www.elance.com) and [www.guru.com](https://www.guru.com).

53

## Make money marketing offline businesses

---

You can offer your services to those offline businesses within your area. You can market their products and services by creating a custom website for them and posting articles related to what they offer. In consideration of all these, you agree on a fixed price with them which after building the website and posting content on it, you have some profit to fall back on.

54

## Make money cleaning out bins

---

Bins are known to be a place for the leftovers, dirt and other passed 'sell-by date' foods and groceries. This goes a long way to explain why they always have a bad odour. If you can withstand the smell, you can make money cleaning out the bins for the various owners. You can also make good money weekly cleaning out the bins for your neighbours.

55

## Make money offering local fashion tours services

---

If you like being a tour guide, then this type of money making idea is good for you. All it takes is for you to book people on tours - especially those who are new in the area - taking them to places where they can find the best and cheapest fashion houses around town – for a fee of course! A local lady charges £120 for a half day tour and shopping advice.

56

## Make money through your own coffee kiosk

---

There are lots of people out there who would give anything to have just a cup of coffee at a given time, any time. What happens if they are not at home or in their offices? They would simply walk into your coffee kiosk to satisfy their need for a cup of coffee. You can even add a delivery service to it.

57

## Make money selling ad space on your car

---

If you are the type of person that is always out and about, you can start advertising products and services on the body of your car. A lot of companies would be glad to brand your car and use it as an advertising medium, especially if you reside in a commercial city or town. The warning here is not to pay companies to offer your car for advertising – best to sell it to local companies yourself - £200-£300 a year. The more unusual your car the better.

58

## Make money running a pet service firm

---

You will thrive more in this area of making money if you are a pet lover. You can start by offering your neighbours and friends this service. You can offer to groom, feed and walk their pets. You may still decide to only walk the pets, especially dogs but combining the services will make you more money.

59

## Make money through a dropshipping website

---

This is a money making idea where you have a website to promote products that are being sold by a given company. When an order is placed on your site and payment is made, you then place this order on the producing company's website giving them the buyer's full information including address. At the end of the transaction, you make a good profit and the more sales you make, the higher your income will be.

60

## Make money offering house cleaning services

---

It is not news that there are people out there who do not take delight in personally cleaning their houses and they would gladly pay for such services. You can gain more customers if you are found to be trustworthy, responsible and reliable. Go ahead and set up that business today and start making good money.

61

## Make money running a local grocery delivery service

---

In most modern families, both parents have 9-5 jobs that keep them away from the home most of the time making it impossible for them to engage in certain home activities which includes shopping for groceries. Imagine how delighted they would be to have someone trustworthy to shop for them – a small price to pay for such a great idea. You will need to be different from the supermarket delivery services though as they only charge £5 for delivery and sometimes its free.

62

## Make money running a local restaurant delivery service

---

Several restaurants are known to offer takeaways to their customers. What difference would you make with your service? The difference is that instead of the customers coming to the restaurant to pick up the takeaways, you collect and send the takeaways to their various homes in return for a commission payment from the restaurants..

63

### Make money selling things you like

---

One sure way of making a success of a business is by making sure that you are passionate about the business you are going into. Do you have a love for flowers? Do you love food? If you have a love for flowers, you can do well as a florist and if you are one of those who love good food, you can make money starting up a restaurant business.

64

### Make money cleaning swimming pools

---

It is true that owning a swimming pool is great, but when it comes to cleaning the owner may not have enough time. This is where you come in; offer your services of cleaning swimming pools, starting with your neighbours and friends. The word will spread by 'word-of-mouth' recommendation.

65

### Make money connecting electronic devices

---

When it comes to families, there are lots of varied interests that include but are not limited to watching movies on television, playing electronic games, watching DVD movies etc. One problem most of these families have always had is connecting these electronic devices and they are willing to pay anyone for offering these services.

66

### Make money selling lyrics and rap beats

---

If you are among the lucky ones who are endowed with musical talents, you can actually bring them to good use by writing and selling your lyrics. What about those rap beats you have been trying to perfect? They would surely make you good money if they are sold to the right people.

67

### Make money doing winter rescues

---

If you have the right vehicle, i.e. 4x4, you can actually rake in good money recovering vehicles for stranded owners. In most cases, it is very expensive calling up the towing services and if you should offer the same service but at far lower price, there is every possibility that most of the motorists would use your services.

68

### Make money selling wildflowers

---

Have you ever been to a local craft shop or even a local gift shop and noticed that most of the flowers used on the works displayed are hand made wildflowers? These flowers always end up beautifying most craft items and for this reason, they are always in high demand. You can make money picking and selling these flowers although you will need to be careful of the law as many wild flowers are protected.

69

## Make money creating video montages

---

Creating video montages is not something that everybody can do and if you are skilled in this art, then you are on your way to making good money. Imagine cataloguing a couple's special occasion i.e. Wedding Day, Christening, on video/dvd and watching their faces as they savour the event with great amazement. If you are able to produce a video depicting the history of peoples' lives, then they would gladly pay for it.

70

## Make money as a travel agent

---

If you are one of those people who like travelling, you can conveniently become a cruise or travel agent. This entails the planning, arranging and booking of travels for companies, groups or even individuals. You can start locally and when you gain enough knowledge, you can expand your scope and make more money.

71

## Make money doing interior design

---

This is especially for those who have a flair for decorating and a good eye for even the tiniest details. You can make good money as an interior designer by re-arranging, designing and giving specific and helpful decorating ideas to those who wish to make changes or improvements to their homes, especially those who do not have a clue as to how to decorate their home.

72

## Make money writing and selling 'how-to' ebooks

---

E-books are presently rated as one of the most viable means of making good money, especially online, and it makes you more money if it contains content that would help to do things they know nothing about. Suggested topics could be on how to earn more writing, how to makeover your home etc. etc.

73

## Make money painting house numbers

---

Yes, you can make money painting up house numbers on blurbs but before you initiate this, first take a tour of the neighbourhood to find out the houses that need such services and approach them by going to their homes or by giving them a call. They would gladly accept to let you do the work if they find out that you charge less than the commercial painting companies and at the same time, deliver good work.

74

## Make money doing home inspection

---

This is another growing area where people can make good money. It entails working with companies specialised in local real estate and inspecting homes before and after the property is sold in order to determine its worth in the property market. You can also work on your own if you have the skills to make contacts personally.

75

### Make money through lawn services

---

If you are the active type, you can make a good and steady income mowing lawns for people. You can start by getting a mower, print business cards and if possible, brochures in order to effectively market your skills to people. You can start with neighbours and friends and offer them your service at discounted rates. There's extra money to be made in fertilizing, aerating and scarifying.

76

### Make money through computer training

---

Do you think you are good with computers? Do you have the necessary skills that will be used to give good computer knowledge to other people? If you answer yes to these questions, then you can start earning good money giving people computer training. You can offer people one-on-one computer training right in their homes and offices. A lot of people who are not computer literate would be glad to pay for this service.

77

### Make money through Photoshop

---

There are several blog owners who have content to post on their blogs but need pictures that will go along with such posts. You can make good money by searching and posting good pictures for these bloggers. You can easily get these clients on [www.elance.com](https://www.elance.com) and other virtual worker's sites.

With all these taken care of, you put the website up for sale and you will be amazed at how much you make from selling the already made website to a webmaster or affiliate marketer.

101

## Making money as a Mystery Shopper

---

Not everyone enjoys shopping but how about if you were getting paid up to £20 and £100 in a single day to shop? Sounds interesting, eh? Then try your hand at making money as a “mystery shopper” and try out new restaurants, stay in fancy hotels, get pizza delivered at your place and much more for no cost at

all. You will not only get paid to shop, but you will also be an undercover agent for companies. In order to improve customer service, many companies hire mystery shoppers to evaluate their products and services. Websites that offer this opportunity include: [moneymagpie.com](http://moneymagpie.com), [cybershoppers.nopworld.com](http://cybershoppers.nopworld.com), [retaileyes.co.uk](http://retaileyes.co.uk). So, shop and dine, till you drop.
